

KAMAL NAYAN VISHWAKARMA

Personal Profile

I, Kamal Nayan Vishwakarma continue in the profession of disability since 1995. After completion Bachelor of Science, joined pharmaceutical company Alied Pharma Badodra and Global Pharma Hyderabad for marketing of its products as a sales representative. Inspired from there, I had changed my profession and started to collect qualifications in disability sector from NIMH Secunderabad and Indira Gandhi National Open University (IGNOU) Delhi. Vocational qualifications in the area of disability, 'Mental Retardation' helped me to understand the persons with disabilities and started work with differentially abled individuals. A long list of NGOs like Deepalaya Purnia (Bihar), Navjyoti Institute Delhi, Aradhana Parents Association Delhi, Manovikas Charitable Society Delhi have already been supported by me and presently working for Tamana Association Delhi. During work I am still being continue to collect and share education and knowledge through workshop, seminars self-presentation, teleconference and e- learning program. Associate Degree in Management of Learning Difficulties, a program course for learning difficulty children from IGNOU Delhi is a part of my interest to update myself always to provide quality service to the individuals as well as society.

A long list of beneficiaries like mentally challenged, multiple challenged person with autism and person affected with cerebral palsy as well as children with learning difficulties are benefited from my devoted service given during my long practices which shows and makes me satisfy my constant hard work . It also helps me to achieve my objective gradually and getting inspiration to do more and more to the individuals in this field.
